

The Essential Kids Guide to Centennial Parklands

Services Directory Listing

The feature story in the autumn 2009 issue of Parklands magazine (volume 46) provided an overview of all the activities available for kids to enjoy in the Parklands. Here is some additional information, including contact details of all the service providers listed in the story. Prices, where indicated, are correct at time of publication.

To read the full feature, please download a copy of the magazine at <http://www.centennialparklands.com.au/resources/publications>

Birthday Parties

Ranger-led Parties

- Ph: (02) 9339 6699

For 3 to 5 years olds, you can select from a range of daytime parties:

- Minibeast Madness - Shrink down into the amazing world of bugs. Rangers will take you on a hunt to discover the minibeasts of Centennial Park and help you make a bug of your own to keep.
- Leaf Creatures - Join the Ranger to collect unbelievable leaves of all different shapes and sizes. Search for creatures that use leaves for their food and homes and make a leaf magnet creature with wiggly eyes.
- The Enchanted Forest - Dress up as a goblin, fairy or elf and venture into the Enchanted Forest! Cast a spell with your magic wand to help the plants and animals live happily.
- Nestlings and Hatchlings - Grab your binoculars and search for baby birds and nests hidden in the treetops and pond banks. Make your own mini-nest and hatchling to take home with you.

For 6 to 12 years olds, you can select between daytime parties or an evening Spotlight Prowl.

- Spotlight Prowl - Grab your torch and join the Rangers for a Spotlight Prowl of Centennial Park. Discover what creatures live in the Park after dark.
- Candle Making - Follow the Ranger on a nature walk through some special areas in the Park. Create your own hand-made candle and decorate it with natural items found along the way.
- Creepy Crawly Critters - Take a closer look into the world of creepy crawly critters as you hunt for invertebrates and dipnet for waterbugs. Create a critter craft of your very own.

- Park Detectives - Become a Park Detective! Search for nature's clues and help crack the Secret Code about Centennial Park's special environment.
- Model Gliders - Enter the world of aviation and build your own model glider to take home with you. Learn the history and flying techniques of model aero planes in Centennial Park.
- Nature Kites - Join rangers on a nature walk through Centennial Park to discover different plants and animals. Construct and decorate your very own nature kite to take home, and practice flying it in the park.
