

## Dog rules in Centennial Parklands

Centennial Parklands is one of the largest dog-friendly parks in Sydney with over 30% designated as off-leash areas. So, there is plenty of space for your dog to exercise.

Restricted breeds such as pit bull terriers and Argentinian fighting dogs must be on a leash, muzzled and under the control of a person over 18 years at all times. Owners are responsible for and must control their dogs at all times in the Parklands. Owners must be vigilant to ensure their dogs do not cause any damage to any area (including sports fields and habitat areas) or injury to wildlife.

Help us protect our unique environment by following these simple rules when exercising your dogs in the Parklands.

## Where are dogs allowed off-leash?

Dogs are allowed off-leash outside of Grand Drive, on sporting fields (when not in use) and must always be under effective control. From November 2021, dogs are prohibited at all times from Tramway Oval and Kippax Lake Field.

## Where do dogs have to be on-leash?

- All areas within Grand Drive
- The entire Fearnley Grounds and Guriwal Trail
- Within 10 metres of ponds, waterways and wildlife protection areas
- Within 10 metres of the horse track and horse access corridor near Robertson Road Gates
- On all roads, shared pathways and cycle lanes
- In the front lawn of the Superintendent's Residence
- Inside the takeaway Centennial Homestead Pantry, Pantry deck and entrance, on the Homestead Kitchen (restaurant) deck and lawn and around the fountain.

Tethered dogs must be supervised and remain the responsibility of their owner/carer.

## Where are dogs prohibited?

- From all waterways – including lakes and ponds
- On the horse track and horse areas
- Within 10 metres of children's playgrounds
- Within 10 metres of the Learner's Cycleway
- Wildlife protection areas, including the Bird Sanctuary and York Road Bushland

- On playing fields when in use
- On Tramway Oval and Kippax Lake Field at all times from November 2021
- Inside the Centennial Homestead Kitchen (restaurant)
- Within ten metres of all food preparation areas, including BBQ areas, cafés and restaurants.

## What about dog waste?

All dog waste needs to be picked up immediately and disposed of appropriately. Dog bag bins are provided in some areas, but it is the owner/carer's responsibility to bring sufficient waste bags with them.

## Can I get fined if I don't follow the rules?

All the rules are legally enforceable. You can be fined on the spot for breaking them. See NSW Companion Animals Act for further information [www.legislation.nsw.gov.au](http://www.legislation.nsw.gov.au)

## How do I report a lost dog or incident with a dog?

Please call our 24 hour Security Ranger on 0412 718 611.

## Does my dog need to be registered to visit?

All dogs in NSW need to be registered and micro-chipped. Contact your local council or vet for more information.

## Contact us

Information boards containing maps and brochures are conveniently placed at most entry gates and main thoroughfares throughout the Parklands.
